

FLAT LONG PATISSERIE BOX

The window patisserie range features a large window to show off cakes, pastries and other bakery items. The Flat Box is ideal for treats such as biscuits, confectionary and Christmas mince pie. A light claycoat provides protection against grease; for extra buttery tarts and pies, a waxed food wrap such as a Burger Wrap is recommended to be placed on the base as a liner. The Flat Box is offered in white, and is ideal for branding.
