

HOT DOG ENDURA BOX

The Endura range is made with a sturdy, corrugated fluted board, so it's ideal for hot and greasy foods. It is compostable as it is made with unlined paperboard made without any plastic lining. Hot dog clams are perfect for keeping long foods like hot dogs secure for takeaway. They're offered in natural brown kraft, with space for branding with stickers or stamps.

Note: For greasy or saucy foods, it is recommended to use a liner with Endura.
