

Brown Endura Code Changes

As a result of packing improvements, a selection of the Brown Endura Range has new item codes and carton and sleeve quantities. We have also made changes to inner labelling, with new information such as description, item code, dimensions and sleeve quantity now printed onto the inner sleeve label. An EAN barcode will also feature, allowing bundles to be sold individually.

Features & Benefits:

- Strong & sturdy construction
- Suitable for hot and greasy*, savoury & sweet foods
- Vent holes in clams to keep food fresh

Recyclable

**If using the Endura Range with greasy or wet foods, it is recommended to use a liner.*

Compostable
