## PBS Cartons

Our new Compostable PSB Cartons is an innovative range of packaging made with Polybutylene Succinate (PBS), a material which combines fossil fuel and renewable plant sources. Our wide range includes food pails, pail-paks, lunch boxes and hot food boxes. PBS compostable cartons are custom printable and certified to EN 13423, with AS Certification pending\*.

Recyclable Compostable  
 No Added PFAS

## Vanguard Sugarcane

Eco-Products Vanguard® is a certified, no added PFAS compostable range of sugarcane plates, bowls and containers. The Vanguard range is certified compostable to Australian Standards, AS 4736 (Commercial) and AS 5810 (Home) in addition to EN 13432 & BPI\*.

Compostable No Added PFAS

\*Sugarcane Bowls are pending AS Standards Certification, due 2024.

## Aqueous Hot Cups

Our Aqueous Hot Cup Range features an innovative water-based lining. Available in a smooth, matte finish, Detpak Aqueous Hot Cups are AS 5810 certified home compostable. The range comes in 3 colours, Black, White and Slate and is complemented by our 80mm and 89mm lid range.

Compostable No Added PFAS

## PLA Cold Cups

Our range of compostable PLA lined paper cold cups has a one-fit lid solution for convenience and easy storage. Featuring a PLA lining on the inner and outer side to withstand condensation, PLA Cold Cups are the perfect sustainable solution for serving your favourite slurpees, thick shakes, milkshakes, soft drinks and more.

Compostable No Added PFAS

## Fibre Cup Lids

Our Fibre Hot and Cold Cup Lids are plastic-free and certified compostable to AS 4736 and home compostable to AS 5810. Detpak's Fibre Hot Cup Lids are available in a range of sizes from 8oz - 16oz including click-back options, whilst our Fibre Cold Cup Lids come in 12-22oz sizes with Flat and Dome options.

Compostable No Added PFAS

\*PBS Cartons range is currently being reviewed by APCO (Australian Packaging Covenant Organization) for kerbside recyclability.
